

BIM Half-Day Workshop with the General Contractors Council

February 25, 2010

Improve Your Profitability Using Technology and Become the Subcontractor of Choice!

This half-day workshop will provide a wealth of information to help subcontractors envision the BIM process, see demonstrations of real jobs using BIM and realize the cost savings to your business. Don't get left behind the technology curve-learn what GCs want from their subcontractors today and in the near future!

Speakers planned include several members of the GC Council and Subcontractors:
*Jim Schrader of Power Construction, Dan Klancnik of Walsh Construction
 Bill Sindelar of Ragnar Benson, Nicholas DiBitetto of Precision Midwest*
