

Join us for a Lunch 'N Learn about ***New Hire Orientation***

**What Your Employees Need to Know to
Stay Safe in the Workplace**

Thursday, August 19, 2010

**Help your employees prevent accidents
by learning the tools needed to:**

- Inform new and re-hired employees about the company's safety policy
- Inform employees about accident procedures and discipline policies
- Why, When and How to implement a new hire orientation to all employees
- **Human Resource professionals highly encouraged to attend**

***Speaking at this Workshop:
Debra Addante, President
Innovative Risk Management
Debra has 20 years of experience
in the construction, municipal,
manufacturing and restaurant
industries***
